

## Our vision:

To enable our learners to become Confident, Happy and Independent.

**Sensory  
Support  
Service  
Aberdeen City**

## Our Values:

## We aim to do this by:

- ✓ Making sure everyone is supported, included and respected
- ✓ Developing skills for learning and life so we can be the best we can be
- ✓ Helping people to understand sensory support needs
- ✓ Working in partnership with families and the wider community
- ✓ Making sure our voices are heard and opinions are listened to
- ✓ Celebrating our success and achievements
